PRIMARY EXAMINER**

## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-7 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest an apparatus for measuring a level of electro magnetic interference (EMI) with an electronic device to radiate an electromagnetic wave having a device for outputting a signal in response to the electromagnetic wave radiated from the electric device; means for calculating a group-delay variation information of the device by using the signal from the device, as recited in the independent claim 1; a method for measuring a level of electric magnetic interference (EMI) with an electronic device to radiate an electromagnetic wave having the steps of obtaining a group-delay variation information of the device which is varied according to the electromagnetic wave from the electronic device at a predetermined number of detection positions on the predetermined trace, as recited in the independent claim 6 and in combination of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
